Experience

- DIGITAL MARKETING MANAGER
 - Collaborate with cross-functional teams to develop persuasive presentations and proposals that drive results, using competitive analysis and market trend assessment to strengthen client positioning. Develop tailored media strategies and plans that align with the unique needs, objectives, and budgets of potential clients, and streamline the onboarding process to ensure a smooth transition. Work closely with clients to define goals, objectives, and key performance indicators (KPIs) for their media campaigns, crafting customized approaches that support their specific requirements and maximize campaign impact.
- DIGITAL MEDIA EXECUTIVE
 - Develop strategically sound and innovative paid media campaigns for diverse agency clients across various industries, with a focus on data-driven and audience-centric planning. Take ownership of responding to client media briefs, aligning with their objectives and demonstrating expertise in media solutions. Oversee the full campaign lifecycle—from setup and implementation to optimization and reporting—across digital platforms such as Meta, Google Ads, DV360, TikTok, and more.
